

List of existing permits and authorisations

No.	Permits and authorizations	Issuing Institution	Date of issue	Valid until
1	Certification according to DIN EN ISO 9001:2015	DQS	12.11.20	11.11.2023
2	Certification according to DIN EN 14001:2015	DQS	12.11.20	11.11.2023
3	Qualification Test (Industrial Standard) DIN EN 1090 part 2: 2009 Steel S235, S 275 und S355, stainless steel acc.to part 2 table 4 Welding processes: - manual arc welding (111) - gas shielding arc welding (135, 136) - submerged arc welding SAW (121) - TIG welding (141)	TÜV Nord Systems	03.03.20	29.01.2023
4	Inspection of a production facility for Pressure Equipment according to Directive 97/23/EG Scope of validity: Pressure vessels, pressure vessel parts, steam boilers AD2000-HP0/ EN 13445, EN ISO 3834-2	TÜV Nord	28.1.21	September 2023 Sept. 2021
5	Agreement regarding appropriate and professional re- stamping of materials with quality certificate	TÜV Nord Systems	25.10.18	Okt.2021
6	Manufacturing of pressure vessels according to ASME (U-Stamp)	ASME	25.09.18	17.11.2021
7	Certificate of Authorization to Register (NB)	NB	18.11.15	Abhängig vom ASME-Zertifikat
8	Welding permit according to German Lloyd Rules Scope: Welding of containers and cor frames	DNVGL	12.04.21	26.03.2023
9	Welding permit according to ADR 6.8.2.1.23 Welding processes acc. TÜV inspection report 8112633791 from 16.09.20	BAM TÜV	17.09.18 16.09.20	16.09.2021 15.09.2023
10	Acceptation of company " JL Goslar & Co.KG" as manufacturer of components for packagings liable to registration for transportation of radioactive substances (R-125919-0009-12)	BAM	05.03.19	28.02.2021 Verlängert bis 08/21
11	Internal Lab (inspection methods)	intern	22.03.21	unbefristet
